

YOUR PREFERRED DOMICILIARY CARE PROVIDER

Pharez Solutions is dedicated to providing exceptional home care services in Coventry, and all the neighbouring communities within Warwickshire.

SEE OUR SERVICES

PERSONAL CARE

Our aim is to support you in living your daily life by offering emotional support and motivation, enabling you to continue living independently.

DEMENCIA CARE

We offer specialised dementia care services designed to support individuals living with dementia, ensuring they receive compassionate, professional, and personalised care within the comfort of their own homes.

PHYSICAL DISABILITIES

We offer assistance with mobility, helping clients move safely around their homes and navigate their environment, household chores such as cleaning, laundry, shopping, and meal preparation.

SENSORY IMPAIRMENT

We offer specialised care services for individuals with visual and hearing impairments, ensuring they receive the support needed to live independently and confidently within their own homes.

PALLIATIVE/END OF LIFE CARE

Our team of dedicated professionals is committed to providing personalised, respectful, and high-quality care that addresses the unique challenges faced by those with sensory impairments.

COMPANIONSHIP

Our companionship services are designed to provide emotional support, social interaction, and engagement, ensuring clients enjoy a fulfilling and connected life in the comfort of their own homes.
